

Lobsters'R'Us Seafood, Atlantic Canada's most energy-efficient seafood plant, has a requirement for a "Working Plant Foreman", to work on a full time seasonal basis. The position would be based out of our main plant in L'Ardoise, Richmond County, Nova Scotia. Candidates must be available to start in April 2016.

Main Objective Of The Role:

-To assume the role and responsibilities of a working foreman/supervisor in our grading/storage/shipping facility.

Education / Qualification:

-The applicant should hold a minimum of a Grade 12 or equivalent. This minimum level may be reduced where extensive experience can be demonstrated.

-The applicant must hold a valid drivers license and a dependable mode of transportation.

Experience:

-Previous foreman/supervisory experience would be an asset.

Technical Skills:

- Self motivated with an interest in learning new skills.
- Good interpersonal skills.
- Ability to adapt to change.
- Ability to work long hours.
- Computer literate.

Administrative Skills:

- Competence in Microsoft Office applications & electronic mail systems.

Job Description:

Responsibilities are a minimum and are not limited to the following:

- Responsible for a crew of 6-12 employees.
- Responsible for the administration of our health and safety program.
- Responsible for the planning and execution of the daily grading production.
- Responsible for the planning and execution of the daily storage production.
- Responsible for planning and organizing of shipments.
- Responsible for paperwork & reporting associated with the grading, storage and shipping processes.
- Responsible to act as a liaison between management and the employees.

Wages:

Wages to be discussed, dependant on qualifications & experience.

Closing Date:

February 19, 2016

Applicant Requirements:

In order to apply for this position, please email your resume "only" to hr@lobstersrus.ca. Please include, in the subject line, the position that you wish to apply for. Supporting documents will be requested at the interview level.
