

## International development and Canadian municipalities

Learning from and adapting to the challenges faced by overseas partners, Canadian participants improve their own skills and develop stronger working relationships with colleagues and community groups.

This also helps them address municipal challenges here at home.

### Nova Scotia's international Partnerships in Municipal Innovation

Municipalities in Nova Scotia are working with partners in Bolivia and Vietnam on inclusive local economic development (LED), and the creation of an enabling environment for LED.

#### Vietnam

Association of Cities of Vietnam (ACVN) Cape Breton Partnership and the Union of Nova Scotia Municipalities (UNSM), NS

#### Bolivia

Cabezas Municipality, Santa Cruz Department and Truro, NS
