

Atlantic Immigration Pilot

Nova Scotia, beautifully situated on Canada's East Coast, is a great place to live and work.

Our new program, the Atlantic Immigration Pilot, gives foreign workers and international graduates another way to immigrate to Nova Scotia.

Key Benefits

- The Pilot complements our Provincial Nominee Program, giving designated employers the opportunity to fill their labour gaps with foreign workers and international graduates.
- Candidates at a broad range of skill levels are eligible to participate in the Pilot.
- International graduates from Atlantic universities can be hired right out of school.
- The Pilot speeds up processing at the Federal level and gives candidates a work permit while waiting for permanent residency.
- Through the Pilot, Nova Scotia employers will support candidates as they settle in the province.

Eligibility

Candidates need a full-time job offer from a designated employer in Nova Scotia to participate in the Pilot.
