A wide-angle photograph of a golf course situated on a dramatic, grassy cliff overlooking the ocean. The foreground shows a steep, sunlit slope with dry, golden-brown grass. In the middle ground, a vibrant green golf green is visible, featuring a white flag on a red pole. To the right of the green is a large, irregular sand trap. The ocean is a deep blue with white-capped waves crashing against the base of the cliff and scattered rocks. In the background, a rugged coastline with more cliffs and a small island in the distance can be seen under a clear sky.

Boston
The hub of the solar system

An aerial photograph of New York City at sunset. The city is densely packed with skyscrapers and buildings, with the Hudson River to the west and the East River to the east. The sun is low on the horizon, casting a warm, golden glow over the city. A semi-transparent text box is overlaid on the left side of the image.
