Our Vision: A thriving Cape Breton – Unama’ki.

Our Mission: Transform Cape Breton – Unama’ki into the most creative and prosperous place on earth.

The Cape Breton Partnership is Cape Breton — Unama’ki’s private sector-led economic development organization. Founded in 2004, we support companies and entrepreneurs through projects and initiatives that **promote** our Island as a great place to live, work, and invest; **grow** a culture that values and celebrates creativity, innovation, and entrepreneurship; and **connect** entrepreneurs and companies to the resources they need to succeed.

We are independent, non-partisan, and collaborative. We work with entrepreneurs, businesses, and community partners, giving us a unique advantage – an Island-wide perspective about economic development. We work hard to share this perspective and incorporate it into everything we do, and **we want you to be a part of it.**

As we continue to grow in support from private sector investors from across Cape Breton — Unama’ki, together, we are committed to building a brighter future for our Island. As a Cape Breton Partnership investor, you have the opportunity to network and connect with businesses across the Island and contribute to Cape Breton — Unama’ki’s economic future.
