The following Changes are to be noted in the document referenced above.

3.0 Questions / Clarifications:

1.2 N/A

4.0 Document Changes:

2.1 The link to Appendix P – *Louisbourg Visitor Experience Enhancement Project Archaeological Resource Impact Assessment & Reconnaissance 2022, Cultrural Resource Management Group Ltd., December 2022* has been removed from the RFP document.

2.2 **In section D2.1.1 – Related Documents and Report, under “Notes”:**

REMOVE “The archaeological resource impact assessment included in the appendices is a draft report which is subject to review and approval by the Department of Communities, Culture, Tourism and Heritage. The final report will be made available to the successful proponent.”

And REPLACE WITH “An Archaeological Resource Impact Assessment was conducted on the project study area by CRM Group in 2022. The report and its recommendations are currently under review by the Nova Scotia Department of Communities, Culture, Tourism, and Heritage’s (NSCCTH) Special Places Program. The report recommended that an archaeologist be present during development-related excavation to undertake archaeological monitoring. The final archaeological report can be provided to the successful proponent once the report has been accepted by NSCCTH. Archeological services required on this project will be provided by Build Nova Scotia.”

This addendum **Will NOT** require a revision to the Closing Date and Time, or other dates given in the Request for Proposal document. **The closing date and time will remain 2:00 pm AT on January 6, 2023.**

In accordance with Section B.5 of Appendix B and Section C.5 of Appendix C, the proponents are deemed to have read and taken into account all addenda issued by Build Nova Scotia.
